

# CALL for BANDS

## About “Plaza Music Fest” at the 2009 Plaza District Festival

The Plaza District Association will host the 2009 Plaza District Festival on Saturday, October 3rd from 3-11 PM. The festival highlights a wide array of performing artists, visual artists, live musicians and interactive art education. The festival is open to the public drawing audiences from across Oklahoma City and the surrounding areas, and offering the surrounding neighborhoods an arts festival right in the heart of their community. A grand stage set in the center of the Plaza District provides performing artists a space showcase their talent. In evening, kick back and enjoy 4 spotlight bands from the Oklahoma City Metro music scene with the Plaza District Music Fest from 7-11 PM!

Bands chosen to participate in the Music Fest will receive \$200 for a 45 min set. This is a great opportunity to get involved in the emerging district and growing arts community. Last year, bands included The Non, Map the Sea, The Sherree Chamberlain Band and The City Lives.
